PROFESSIONAL EXPERIENCE

Manual Tester & Client Servicing Executive

Jun 2024 – Present

Matrix Bricks Infotech Pvt. Ltd., Navi Mumbai — Project Coordination, Client Servicing & Business Analysis Support

- Coordinate client-facing SaaS and web application projects end-to-end — tracking timelines, deliverables, and action items across development, QA, and client teams using Jira, ClickUp, and Confluence.
- Prepare BRDs, status reports, trackers, and delivery documentation; maintain clear records of requirements, decisions, and outstanding items for stakeholder sign-off.
- Coordinate calls and follow-ups with clients and internal stakeholders — developers, QA, and UI/UX teams — to resolve blockers, manage change requests, and keep delivery on schedule.
- Support day-to-day project and client communication, including requirement clarifications, priorities, and status updates, while maintaining a focus on timely delivery.
- Coordinate testing and delivery for international (US/UK) partner projects through weekly cross-time-zone calls.
