+91-9028900716 | arbaaz2196@gmail.com | Mumbai, Maharashtra, India

PROFESSIONAL SUMMARY

Results-driven Business Development professional with over 8 years of experience driving revenue growth, B2B sales, and strategic client acquisition across facades & building materials, technology, and trading sectors. Adept at lead generation, key account management, contract negotiation, and stakeholder engagement. Proven track record of building long-term client relationships, closing high-value deals, and representing organizations at industry exhibitions. Fluent in Arabic, English, Hindi, Urdu, and Marathi, with a strong commitment to continuous learning and delivering measurable business outcomes.

KEY COMPETENCIES

Business Development & Revenue Growth • B2B Sales & Lead Generation • Key Account Management • Vendor & Client Negotiation • Contract Management • Market Research & Strategic Planning • Digital & Email Marketing • Exhibition & Event Management • Team Leadership & Stakeholder Engagement • Microsoft Office & CRM Tools

PROFESSIONAL EXPERIENCE

Business Development Manager *Jan 2025 – Present*

Hatim Glazing and Cladding Pvt. Ltd, Mumbai, India

- Own end-to-end B2B business development for structural glazing, ACP cladding, curtain wall, and aluminium fenestration projects, targeting real estate developers, architects, and general contractors across Mumbai Metropolitan Region.
- Identify and pursue new residential, commercial, and high-rise construction projects at the design/tender stage, building relationships early to influence vendor shortlisting.
- Prepare and present technical-commercial proposals and BOQs in coordination with the design and estimation team, negotiating pricing, payment terms, and scope with clients and PMC firms.
- Manage the full sales cycle from site visits and client meetings to contract finalization and handover to the execution team, ensuring smooth project kick-off.
- Build and maintain a strong network of architects, builders, and consultants to generate repeat business and referral-based leads for the facade and cladding division.
- Track ongoing and upcoming construction projects in Mumbai and Pune through market intelligence, cold calling, and site visits to build a consistent sales pipeline.
- Represent the company at industry exhibitions, builder meets, and networking events to strengthen brand visibility and generate qualified leads.
- Coordinate with the procurement and project execution teams to ensure timely material delivery and resolve client escalations, safeguarding long-term relationships.

Sales and Procurement Manager *Dec 2019 – Dec 2024*

Sanibel Al Khaleej Trading & Manufacturing Company, Doha, Qatar

- Spearheaded B2B sales, securing major client contracts through compelling product presentations, needs-based analysis, and effective sales closure techniques.
- Managed procurement operations, negotiating vendor contracts to optimize costs and ensure timely product delivery.
- Oversaw logistics and supply chain processes, tracking orders and resolving shipment issues to maintain efficiency.
- Handled B2B sales of building materials, aluminium profiles, glazing, and cladding-related products to contractors, fit-out companies, and project consultants across Doha and wider Qatar.
- Coordinated with consultants and site teams on material submittals, technical specifications, and quotations/BOQs for commercial and residential projects, negotiating pricing and delivery terms.
- Built and maintained relationships with contractors, architects, and suppliers across the Gulf region to generate repeat orders and referral-based business.

Account Manager – Sales & Marketing *Sep 2018 – Nov 2019*

Itech Ecommerce LLP (Business Partner of Alibaba.com), Mumbai, India

- Executed B2B sales and digital marketing campaigns for Alibaba.com memberships, driving significant revenue growth through new client acquisitions.
- Designed innovative marketing strategies and promotional offers to attract prospects and retain existing clients, contributing to sales targets.
- Managed end-to-end exhibition operations, hosting events and engaging B2B clients to strengthen market presence.
- Maintained customer databases and built long-term relationships to enhance client satisfaction.
- Supported business development through online promotions and administrative oversight.

Business Development Executive (Summer Internship) *Apr 2018 – Sep 2018*

One MobiKwik Pvt. Limited, Mumbai, India

- Conducted corporate sales and marketing for MobiKwik's products, expanding the corporate client base.
- Developed strategies to engage B2B clients, enhancing product adoption and brand awareness.
